

Celebrating 30 Years

For 30 years your Church of God Men's State Board has held an event with the power to change men for God! This is one of the least expensive camping weekends you can have that will impact your life, family and your church forever. Maybe you heard about the Men's Advance back when it was called the Men's Retreat and felt it just was not for you.

No fact, statistic, or graphic description of the Advance can really tell the story of what has happened at this event. This event is a contract between you and God. We provide a tool in the Advance with the hope that you can find and fulfill that contract. I prayed to God before typing this, not today or two days ago, but nearly a week ago for the words on this small third page segment. Why is this important? Because, sometimes we forget to make contact with our Lord and Savior in our everyday lives. The Advance will give you that opportunity to reconnect on your own, with your fellow brothers or by divine inspiration.

With that said, I and your fellow brothers in Christ welcome you to the 2010 Men's Advance and hope to see you get closer God.
